Dear FCC,
I personally benefit from listening to XM Satellite Radio and its traffic and weather channels! Satellite radio provides variety and quality that are not available elsewhere. I pay \$10 per month for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that *I* demand and deserve!
